Dear Parents,

The Summer Dance Academy offers a fun and engaging week full of training, community, and evening activities. To ensure your child's safety and a positive experience for everyone, please take a moment to read and acknowledge the following guidelines. This helps make sure that rules, responsibilities, and mutual respect are clear from the very start.

Parental declaration for under-18-year-olds:

Our child is allowed to visit the public swimming pool alone (approx. 400 m from the facility).

Our child may take part in all evening events of the Summer Dance Academy.

We informed our child that unauthorized leaving the facility at night is not permitted and that the Summer Dance Academy does not accept responsibility for this. Under 18-year-olds who do not follow these rules will be excluded from the Summer Dance Academy and will have to be picked up by their parents. A refund will not be made.

We informed our child that violating the rules of the Summer Dance Academy could result in immediate exclusion.

We informed our child that it is expressly forbidden to bring and drink high-proof alcoholic beverages. There is a general ban on alcohol and smoking for under 16-year-olds.

We give our consent that our child may be provided with any medical care if it is necessary.
